The Villa

Located in a setting of exceptional beauty and tranquility that affords guests with breathtaking views over the bay of Kalafatis, this villa is a stylish 210m² residence that belongs to a complex of 3 vacation homes. Consisting of 2 levels and boasting 4 spacious bedrooms, this villa is the epitome of discreet luxury and can accommodate up to 8 guests.

Drawing inspiration from the dramatic contradictions that define the Cycladic landscape, the structure uniquely combines rugged elements with refined style. The brilliant white exteriors are partially covered in stone, blending harmoniously with the natural surroundings. Outdoors, the cool waters of your swimming pool will rejuvenate you during a hot day. The spacious terrace offers several vantage spots to take in the magnificent vistas, as well as various lounge and seating areas, an open-air kitchen and a shaded dining area, all face the ever-changing seascape. The interiors are eclectically designed to convey a sense of sophistication and relaxation and flow effortlessly between the indoor and outdoor spaces. The indoor spaces are influenced by Cycladic minimalism, boasting concrete floors and a white palette, accentuated with subtle blue and black details. The ornamentation is kept to a minimum so that guests can appreciate the splendour of the landscape and enjoy absolute tranquility, without unnecessary distractions.

Every room is light-filled, specially decorated to avoid clutter and feature all modern amenities.

Located within a stone's throw from some of Mykonos' most beautiful beaches, like Kalafatis (1,7 km), Kalo Livadi (3 km) and Agia Anna (3 km), this is the perfect base to discover the island's authentic side. Make sure to pay a visit to Mykonos Town, the island's vibrant capital, which is a mere 10 km away from the property, but if you prefer a more relaxing and serene atmosphere, you can visit the traditional village of Ano Mera just 3 km away, where locals enjoy their everyday life without being interrupted by large crowds of visitors.
